WIFE JUSTIFIES THE CRIME

Because of a Difference With Brother's Wife Over the Manner of Praying of His Children Louis Depaoli Beats Out Her Brains With a Chair.

San Francisco, Nov. 24.—Because his sister-in-law wanted his children to sleep, while the adult members of the household were in prayer, and also because she objected to their manner of praying, Louis Depaoli, a florist, today beat out the brains of his brother's wife, Catherine Depaoli, with two chairs, while his wife looked on, unobjecting.

She justifies her husband in his crime by stating that both have been taking "magic powder" to prevent the spirits from bothering them.
